

How to be more successful in Technology

~Mrs. Koehler~

EVERYDAY:

- ✦ Keep an accurate record of what we have done in class each day.
- ✦ Ask me if you don't understand something.

If YOU are *ABSENT* from class...

- ✦ Please see me at the beginning of class for make up instructions.

Where can I get extra *HELP* if I do NOT understand?

- ✦ Talk with me during class to arrange a day & time afterschool to meet.

How can I get *EXTRA CREDIT* if I want to improve my grade?

- ✦ Only those with lower than a B will qualify for extra credit.
- ✦ Talk with me about options before or after school, or email me
